Donation Intent:

Please check one or more of the following options.

- general operating expenses - I understand that costs are involved with organizations like this and I can request an auditor's report at any time.
- DCEF Discretionary - I trust that the board of directors will use these funds in the most useful way.
- literacy, science, technology, engineering, math - I would like to support these subjects with classroom instructional supplies (i.e. books, lab equipment, calculators...etc), paid tutoring, and/or after-school enrichment programs.
- instructional services - improving teaching quality - I would like these dollars to provide additional training for teachers, provide teacher mentor programs, and efforts to increase the number of highly effective teachers in the county.
