## School District of DeSoto County Employee Campaign

Investing in the future of DeSoto County's students is the primary mission of the DeSoto County Education Foundation, a nonprofit philanthropic organization.

This organization is comprised of leaders of the business community who work as volunteers to form a partnership with our school system.

Through fund-raising events, private individual donations, corporate sponsorship and revenue from the "Support Education" license plate initiative, the organization has been able to: \* provide over \$20,000 in scholarships to deserving graduating seniors \* give over \$34,000 to teachers in the form of mini-grants for their classroom \* sponsor the Employee of the Year recognition event \* partner with All Faiths Food Bank to offer a weekend back-pack program and \* maintain the notable Family Literacy project.

**We invite you to make the DeSoto County Education Foundation *your* foundation by participating in the voluntary payroll deduction program.**
